

CSI-FRESH B.V.

# Value Proposition

- ▶ CSI-Fresh is a freight forwarding company in The Netherlands and is specialized in the fruit and vegetables area.
- ▶ “one stop shop” model; allows us to offer a unique concept (handling air and container, forwarding, Cold stores (optional), transportation and customs clearance).
- ▶ Efficient work, simplification in customs processes and coupling of automated systems (reuse of data) provide significant cost savings for our clients.
- ▶ Customer portal for real time tracking and tracing and one verified source of all data.
- ▶ Products and Solutions;
  - ▶ Sea Freight
  - ▶ Airfreight
  - ▶ Customs Brokerage
  - ▶ Fiscal representation
- ▶ Founded in 2008, currently 35 customs experts in NL

# Competences CSI-Fresh
